Irene Veneziano - Newsletter n°5 - 2015

Castelletto Ticino (No), November 2015

Dear friends,

first of all, I'd like to tell you that I started a new adventure: I teach at the **Conservatory in Ravenna**! Nevertheless I'm very sorry to leave my class of the Conservatory in Trapani where I taught for two years, I'm sure that it will be a wonderful experience with these new musical souls!

I'm glad to inform you that my **NEW CD** "Folias d'Espana!", containing a warm and brilliant program based on Spanish music, is now on sale on my website! It could be a nice Christmas gift! I remind you that it can be sent directly to your house or to the house of the person to whom you would like to give it, if you desire with a gift box and autograph. Here is the link for more info:

I'd like to inform you about my **WINTER MASTERCLASS**, which will take place in Pistoia on 3-4-5-6 January 2016, for spending some holidays days in a useful and pleasant way. Here the details:

<http://www.ireneveneziano.com/en/3-4-5-6-gennaio-2016-pistoia-masterclass-invernale/>.

Hurry up because the deadline is on 10th December!

Finally I tell you with great pleasure that my piano solo composition "**Profumo**" has been published for *Vigormusic Musical Edition*! You can find it at this link:

and you can listen to a live performance here: <https://www.youtube.com/watch?v=dVDpzR3n6iQ>.

The Spanish program of my CD obtained great success in the **recitals** of the last three months, which took place in Moneglia, Vergiate, Pavia, in the oncologies in Saronno and Bolzano (these two concerts with the guitarist Andrea Boscarino) and in the wonderful Salone Estense in Varese.

In the Theatre "Vittorio Gassman" in Gallarate, I had my debut with the Rhapsodie in Blue for piano and orchestra by G. Gershwin: I really felt a jazz musician!

After long time I had the pleasure to play again in Milano with the flutist Alice Morzenti, now first flute of Staatstheater in Nürnberg. I'll play with her also next Sunday in Parco della Musica in Rome. Moreover, I was testimonial for classical music for the italian exhibition of the new digital piano made by Casio *Celviano Grand Hybrid*, which took place in *Teatro alla Scala* in Milano: in this occasion I was appreciated by the singer Roby Facchinetti (Pooh), that asked me a photo together!

Finally, I came back to Genève to celebrate the fifteen years of the International Competition "Les jeudis du piano" (I got the *Prix du Jury* some years ago), playing with the wonderful orchestra *Camerata du Léman*! Moreover I played pieces four hands and eight hands with nine previous winners of the competition, and as an encore we played the first Prelude by J. S. Bach, a bar each, turning around two pianos: really funny!!
