

Irene Veneziano - Newsletter n°1 - 2015

Sesto Calende (VA), January 2015

Dear friends,

here is the first Newsletter in 2015!

I hope that you all enjoyed the Christmas break and had a peaceful and joyful time!

As for me, I managed to find time to rest, but also to practise the new repertoire that I am going to perform in the coming months. I give you a little preview: it will be blazing Spanish music!

First of all, I would like to inform you about a **piano MASTERCLASS** that I will hold in Vallo della Lucania (SA), between the 21st and the 24th of April 2015. You can find information at this link:

<http://www.ireneveneziano.com/en/21-24-aprile-2015-vallo-della-lucania-sa-masterclass/>.

At the end of the course all the participants will play in a concert and I will perform **with orchestra** the Concerto K488 by W. A. Mozart and the Concerto in D major by N. Jomelli (Italian premiere), with the Chamber Orchestra directed by Franco Vigorito.

Hurry up, the deadline for registration is January 31st!

Moreover, I will teach in a **chamber music MASTERCLASS** about the repertoire for flute and piano in collaboration with the flute teacher Maurizio Valentini, open to flutists, pianists and duo. The course will take place on the 28th of February and the 1st of March 2015. Some interesting news is my interview and the free download of my CD "Irene Veneziano live in Torino" on the prestigious musical magazine **AMADEUS** this month.

Here you can find the interview:

I also remind you that you can purchase the CD on my website at this link:

My last **RECITALS** were held for important concert societies and associations in Italy and abroad. After my debut in Madrid, I went back for the second time in the city of London: the British audience was so warm and literally devoured all the CDs that I brought with me! My deepest thanks to Bob and to fantastic Hugh and Felicity!

I cannot fail to mention the wonderful feelings I had in donating some of my concerts to the oncologies

(www.donatoridimusica.it): you can really perceive the real meaning of music, its influence on the human soul and also the therapeutic effects that it may have.

In recent months I have also held a **seminar** at the School Ad Musicam in Cesena, directed by the volcanic Maria del Mar Cabezuelo: participants were enthusiastic and I hope to repeat this experience soon.

The **CD** containing the new work (titled "Nocturnes") by the Italian composer **Remo Vinciguerra** is almost ready! This recording will be enclosed to the score that will be published by Edition **CURCI**. I can't wait for you to listen to it!

Let me point out the latest videos published on **YOUTUBE**: Toccata by C. Saint-Saëns performed in Czech Republic (<http://youtu.be/EMeT95Q7hwU>), three Preludes by C. Debussy performed in Sweden (<http://youtu.be/ZDj13fhEQ0>) and this excerpt of recital stolen by a photographer that on the social network had more than 2000 visits in a single day! (<https://www.facebook.com/video.php?v=768243139911782&set=vb.100001783103795&type=3&theater>).

I also remind you that my CD "*Irene Veneziano plays Chopin and Debussy*" is now in the largest online shopping websites: **Itunes**, **Googleplay** and **Amazon** for downloading it, **Spotify** and **Deezer** for listening to it **free** in streaming.
