Domenico Church and in Paris for the fantastic family Jean and Dominique Bayard!

I'm trying to produce a CD with this program as soon as possible, I keep you informed!

I also played in a very interesting concert/show called "The trench and the living room. Sounds and memories of the First World War" in Sesto Calende, in occasion of the "Centenary of the First World War 2014/2018", with my piano, singers and a stunning scenery.
