Irene Veneziano - Newsletter n°4 - 2015

Sesto Calende (VA), September 2015

Dear friends,

I'm really proud to tell you that my summer masterclasses had great success, with a total of 47 pupils! They are important experiences for the students but also for me: I teach but I learn too, and I have the possibility to meet fantastic people with the same passion for music. See you next summer! You can find the brochure of my **ANNUAL MASTERCLASS** in the music school "Dedalo" in Novara at this link:

http://www.scuoladimusicadedalo.it/index.php?option=com_content&view=article&id=137:corso-irene-veneziano&catid=35:news-sinistra&Itemid=141&lang=it.

I remind you that the lessons will take place a Sunday every month and that it's possible to join two lessons in one day, in order to reduce the number of trips.

I've just come back from the *1st International Musical Competition in Alessandria*, where I was President of the jury. The level of the participants was very high and the job with the other jurors was really pleasant.

As regard my last **recitals**, I was really excited to play in front of my Conservatory students both as a soloist and in duo with my colleague Samuele Gaelano in Trapani!

After that, I played in San Benedetto del Tronto at the end of my summer master class with the organizers Luca Magni (flute) and Daniela Tremaroli (cello)... a "total" collaboration!

Then I had the pleasure to play a recital for piano four hands in duo with the pianist Eliana Grasso, in a wonderful amphitheater in Isola D'Elba: a magic atmosphere!

Warm audience welcome in "Orbetello Piano festival": this small video "stolen" by the person in charge of the lights had more than 6600 visualizations in few days:

Finally, I played again in Moneglia as a soloist with my new brilliant program on Spanish music.

By the way, my **NEW CD** containing this cheerful and blazing program is going to be published!! I'll keep you informed.

I'm really satisfied to tell you that the Cd "*Irene Veneziano live in Torino*" had a boom of listenings on Deezer in the last months! I have now 566 "fans" and in July and August the Cd had **30.000** listenings!!

Finally, I inform you that new **videos** of my playing are on youtube: Concerto for piano and orchestra KV488 by W. A. Mozart played in Frankfurt in April:

Small excerpt (that I found by chance) of a performance in Los Angeles in Chinese Theatre during Oscar Festival 2009 with the flutist Andrea Griminelli:
