Irene Veneziano - Newsletter n°2 - 2017

Castelletto Ticino (No), March 2017

Dear friends,

I'd like to tell you that, apart from a small mishap (I made a small wound on my finger slicing bread and I had to give up my recital in Tivoli scheduled for March 19), I'm ready to deal with the next period that seems to be very intense!

One of the latest news is that the italo-riojana association "Due Passi", promoting the Italian culture in Spain, decided to include me in the **EXHIBITION "Donne. Mujeres italianas que han cambiado la historia"** among 20 Italian women of the 20th century who, they believe, somehow left an indelible mark in history. The exhibition, from 8th to 21st March 2017, was declared of social interest by "Consejería de Educación" and was inaugurated by the Italian Ambassador in Spain, Stefano Sannino and by the Director general de educación Miguel Angel Fernandez. I was very honored to be present alongside women like Rita Levi-Montalcini, Sophia Loren and Oriana Fallaci!

Moreover, the JCI association has decided to give me the **PRIZE "TOYP Varese 2017"** (The Outstanding Young Person) in the category Culture! The award ceremony will take place in Busto Arsizio (VA) on Tuesday 21st March, 8.45 p.m. at Museo del Tessile, Sala Gemella (entrance in via Luigi Galvani). During the award ceremony short videos will be shown that illustrate the activity of the winners.

I'd like to let you know that I was the artistic director of a festival of young talents at the **Fazioli** Showroom in Milan. Thank you again to Fazioli Pianos for this important opportunity given to young pianists! The final evening of this festival will take place on May 26, 6:30 p.m.: many of the guys who played during the year will perform both short solo pieces and for four hands. I will play myself!

I will give you very soon all the details of my Summer **Masterclasses**: in San Benedetto del Tronto (26-30 July 2017), Santa Margherita Ligure (7-11 August 2017), Sciacca (20-23 August 2017) and Sesto Calende (9-10 September 2017).
