

Irene Veneziano - Newsletter n°3 - 2017

Castelletto Ticino (No), September 2017

Dear friends,

I hope you have spent your holidays in the best way and you are ready and full of energy to face again the daily commitments!

I'm glad to tell you that during a ceremony in Prato (Italy) I was awarded the **Culture Prize Toyp 2017** (The Outstanding Young People) also at national level.

I recently **performed** for Casio Europe in many German towns (Essen, Hamburg, Ellwangen and in the Musikmesse in Frankfurt). During the last solo and chamber music recitals in Italy, I had the occasion to play not only with an old acquaintance, the first Flute of Staatsphilharmonie in Nürnberg Alice Morzenti, but also with important artists such as the first Flute of Teatro alla Scala Andrea Manco, the soprano Barbara Frittoli, the violinist Alessio Bidoli, the bassist and the violinist of Malta Philharmonic Orchestra Gjorgji Cincievski and Vincenzo Picone.

Moreover, I was in the **jury** for several piano competitions (Omegna, Arcisate, Verona): it's always a great feeling to see young guys and children starting their way of music!

My **summer masterclasses** (in Velletri, San Benedetto del Tronto, Santa Margherita Ligure, Sciacca) were very demanding - I had a total of 45 pupils! - but extremely funny and full of interesting meetings.

Here is the brochure of my **Annual Masterclass in NOVARA**, as usual one Sunday every month, this year in the new location very close to the train station:

http://www.scuoladimusicadedalo.it/index.php?option=com_content&view=article&id=87&Itemid=782.

The deadline for application is 15th September.

I'd like to inform you that it's now possible to listen for free to my last **Cd "Jeux d'eau"**, which was published in November by the musical magazine Amadeus, on **Spotify** and **Deezer** or download it on **Amazon**, **Googleplay**, **iTunes**.

For example, here is the link to listen to "Jeux d'eau" by Maurice Ravel: https://open.spotify.com/track/1GcioHO1LwXnSblEBa8yt4?fo=1&utm_medium=share&utm_source=desktop#_=_

Or a more modern "Water games", by the Italian composer Lino Madoglio: https://open.spotify.com/track/65vQD97EUy4FmesKBBY5ML?fo=1&utm_medium=share&utm_source=desktop#_=_
