## **Irene Veneziano - Newsletter n°3 - 2019**

Castelletto Ticino (No), August 2019

Dear friends,

As usual, the summer has finished in a flash and we are already at the start of September!

I am very pleased to announce that my **new CD "Pictures at an exhibition and other pictorial works"** is finally ready!!

The CD contains the famous "Pictures at an exhibition" by M. P. Musorgsky and other works entirely inspired by painting, with music by F. Liszt, A. Dvořák, S. Rachmaninov, E. Granados and R. Piana.

Here is the link to my website to get more information about it and its purchase:

Also this year I'm holding an **ANNUAL MASTERCLASS** at the Music School "Dedalo" in NOVARA, a stone's throw from the train station, which offers the possibility of taking 4 or 8 hours of lessons a year and which always takes place on Sundays. At this link you will find detailed information regarding dates and costs: [https://www.scuoladimusicadedalo.it/index.php?option=com\\_sppagebuilder&view=page&id=153&Itemid=782](https://www.scuoladimusicadedalo.it/index.php?option=com_sppagebuilder&view=page&id=153&Itemid=782) .

I inform you that in November I will have the honor of being part of the **JURY** of two important piano Competitions: the International Piano Competition "Città di Spoleto" (<https://www.iac-spoletto.it/italian-accordion-culture/wp-content/uploads/iac-spoletto-accordion-bando-6-concorso-pianistico-città-di-spoletto-ita-.pdf>) and the 27th International Chopin Festival in Sochaczew, very close to Żelazowa Wola, in Poland, the town of birth of F. Chopin (<http://psmsochaczew.weebly.com>)!

My **SUMMER MASTERCLASSES** (in Latisana, Skien in Norway, San Benedetto del Tronto, Santa Margherita Ligure) turned out to be, as always, wonderful moments full of music but also, despite the intense work of those days, fun and sharing.

In recent months I have had the opportunity to **play some soloist and chamber music concerts**. I performed at oncology in Brescia for the beautiful season "Donatori di musica", for PianoCity Milan in three different locations over two days: the Griffa Laboratory in Milan, the Biblioteca comunale di Settimo Milanese, the Malpensa airport for Fazioli Pianoforti. I also have wonderful memories of the concert I gave in the beautiful church of San Vittore Olona for the ProMusica Association, in Sansepolcro with the composer Alessandro Tetraroni and finally in the evocative Atrio Comunale in Sciacca. I also had the pleasure of playing again for four hands with the pianist Eliana Grasso for the prestigious Mantova Chamber Music Festival in a breathtaking Palazzo Ducale and with the violinist Alessio Bidoli both in the Galleria Alberoni in Piacenza and in the Palazzo Bodenti Terni de Gregory of Crema.

I also had the pleasure of returning to the **jury** of "Remo Vinciguerra" Competition in Verona, where you can always breath an air of fun and passion.

Finally I'd like to remind you that it's now possible to listen for free to the CD "The Wheel of Memories" with music by Alessandro Tetraroni on [Spotify](#) and [Deezer](#), or you can download it from [Itunes](#) and [Amazon](#).
