Irene Veneziano - Newsletter n°2 - 2020

Castelletto Ticino (No), September 2020

Dear friends,

I hope to find you all healthy and that you have spent a peaceful summer, after the very special period we have been forced to live through.

For us musicians it continues to be a **very hard time**: as I have anticipated in my last Newsletter, all my summer masterclasses in Latisana, San Benedetto del Tronto, Sciacca and Santa Margherita Ligure have been cancelled and I announce with great regret the cancellation of some autumn events, such as my piano solo recitals in Varese in October, and in London and Minerbio in November.

I hope that every activity can start again as soon as possible and in a more serene atmosphere.

On August 20 I had the opportunity to perform in concert in Sardinia, in a beautiful outdoor location overlooking the sea: it was really exciting to play in public again after so many months of inactivity!

I remind you that my latest **CD "Pictures at an exhibition"**, which includes a program entirely inspired by painting with music by Mussorgsky, Liszt, Rachmaninov, Dvorak, Granados, Piana is now present on the largest online distribution websites: [Itunes](#) and [Amazon](#) to download it, [Spotify](#) and [Deezer](#) to listen to it for free online.

For the physical copy, you can find information at this link on my website:

Moreover, all the latest audio and video interviews and online performances that they asked me for during the lockdown are in this section of my website: <http://www.ireneveneziano.com/en/category/interviste/>

You can find the complete list of **upcoming events** using the following link:
