Irene Veneziano - Newsletter n°1 - 2023

Castelletto Ticino (No), July 2023

Dear friends,

here is the first Newsletter of 2023!

With great joy I can now explain this months-long silence to you: **my daughter Giulia** was born on February 8th!!

It was an incredibly intense and demanding period, full of new and very strong emotions.

My musical activity was put aside for a while, but music has always been the background to this new adventure! I hope that, as it is for me, music can always be a lifeline, a support, a fixed point for my daughter too.

I am therefore in the process of gradually restart with **concerts** and masterclasses, or at least I will carry out what will be possible for a breastfeeding mother.

For my next concerts I strongly wanted to prepare a new program and I don't know how (but above all I don't know when!) I think I succeeded. The repertory will have a "dance" theme: I will start with lesser-known pieces such as the fascinating Suite Holberg by Grieg and some polkas and waltzes by Smetana (whose 200th anniversary of his birth is celebrated in 2024), up to very famous waltzes by Chopin.

Regarding the **masterclasses**, I have decided to hold only one in the summer, at the Villa Magni in Pistoia at the end of August: <https://www.ireneveneziano.com/en/masterclass-estiva-2023-pistoia/> .

I inform you that applications are already closed as the available places have been filled.

I will soon send information relating to the annual masterclass in Novara, which I will hold as regularly as every year from autumn onwards.

I also remind you that you can find information about all **my CDs** at this link:

<https://www.ireneveneziano.com/en/category/discografia/>

It's also possible to download all the CDs from iTunes and Amazon, or listen to them for free on Spotify or Deezer.

You can find the complete list of **upcoming events** using the following link:
