Irene Veneziano - Newsletter n°1 - 2024

Castelletto Ticino (No), January 2024

Dear friends,

with a little delay I wish you my most sincere wishes for a happy new year! I hope you had a peaceful holidays and that the new year has started for all of you in the best possible way.

I'd like to tell you that it was very exciting to spend our first Christmas as a threesome! Giulia is already almost one year old!

Although the new life is really demanding, I have resumed my musical activities quite regularly.

In recent months I have in fact played some solo concerts for the Mimosa Amici del DH Oncologico Association of Borgomanero, for Piano City in Naples, for the Lions Club Varese Europa in Varese and on an incredible Steinway in the Adele Piatino hall in Turin.

But one of the most particular experiences was the concert I played in Niš, Serbia, for the opening of the Hammer Piano Festival: the organizers gave me a truly warm welcome and I had the opportunity to visit the city of Niš and to immerse myself in the culture of the Serbian people.

Finally, I also played in Berlin, in the characteristic Piano Salon Christophori, four hands with my usual companion of adventures, the pianist Eliana Grasso, with whom I will be preparing to carry out various events in the next period.

I remind you that you can find information about all **my CDs** at this link:
