Irene Veneziano - Newsletter n°2 - 2023

Castelletto Ticino (No), September 2023

Dear friends,

I hope my newsletter finds you all in good health!

I would like to tell you that, although it initially seemed like an impossible task due to the birth of my daughter, I managed to start giving concerts and masterclasses again!

The sleepless nights and the very little time available to practice didn't stop me: I played in the delightful town of Andora in Liguria in July (breastfeeding five minutes before playing!), in Omegna for the Santa Marta concerts in August and in the Cloister of Voltorre to raise funds for Alzheimer's patients in September. The standing ovations at the end of the last two concerts warmed my heart! At the end of August I also held a masterclass at the Villa Magni in Pistoia: what a joy to be back teaching after several months of break to a wonderful group of pianists!

As regards masterclasses, I would like to inform you that the brochure of my **annual masterclass** at the Dedalo School in Novara has been published. It will take place one Sunday a month and it offers the possibility of having 4 or 8 hours of lessons, also grouped together two by two: <https://www.scuoladimusicadedalo.it/en/master-class/veneziano>. Places are limited. I'm waiting for you!

I remind you that you can find information about all my **CDs** at this link:

It's also possible to download all the CDs from iTunes and Amazon, or listen to them for free on Spotify or Deezer.
