Irene Veneziano - Newsletter n°2 - 2025

Gallarate (VA), October 2025

Dear friends,

I hope my newsletter finds you all in good health and full of energy to resume your activities after the summer break.

As for me, I've taken some much-needed rest!

First of all, I'd like to inform you that I will be holding an annual **Masterclass** of 5 meetings in Gallarate. You can find all the information here: www.improntasonora.org/master

This year I won't be holding my usual annual Masterclass at the Dedalo School in Novara to lighten my commitments, but I will certainly return to organizing it as soon as my family obligations allow.

I'd like to tell you that in recent months I've performed several solo **concerts**, presenting a repertoire entirely dedicated to Poland, performing music by Chopin and by the less known Paderewski and Szymanowski: in Fossano for the Fossano Music Foundation, in Ispra for the European Cultural Association, in Sesto Calende for the Italian League for the Fight against Cancer in the Province of Varese, and in Palermo for the Palermo dei Vespri Lions Club, benefiting the pediatric oncology department of the Palermo Civic Hospital, where the warmth of the audience added to that of the climate!

Moreover, I have holden several **masterclasses** in recent months, for the Fossano Musica Foundation, for the "Pietro Mascagni" Conservatory of Livorno, for the Conservatoire de la Vallée d'Aoste, at Villa Magni in Pistoia, all wonderful experiences of musical and human enrichment.

Finally, I was called back to the **jury** of the XIV Odin International Music Online Competition, Estonia, organized by the European Academic Artists Association, with which I will probably establish an excellent collaborative relationship for future projects.

I remind you that you can find information about all my CDs at this link:
