### **Irene Veneziano - Newsletter n°3 - 2022**

Castelletto Ticino (No), June 2022

Dear friends,

First, I would like to inform you with great pleasure that, after two years of suspension, I will hold some **summer Masterclasses** again! One of them will be held in Skien, Norway, while the other two in Italy (Pistoia and Santa Margherita Ligure). The number of admitted students is limited.

You will find all information at this link: <https://www.ireneveneziano.com/masterclass-estive-2022-skien-santa-margherita-ligure-pistoia/>

I'd like to tell you that at the end of May I had the joy of playing the wonderful and very hard **Concerto** op. 11 by F. Chopin with the Orchestra Milano Classica in a very special location, the Sforzesco Castle in Milan! It was particularly exciting to be able to play with the orchestra again after the pandemic, especially the music of this composer who always manages to vibrate the innermost strings of my soul through each note.

I also performed in some chamber music concerts, two of which for four hands with the pianist Eliana Grasso (in Monza and Gallarate) with a very brilliant and funny program, and one in duo with the flutist Michele Marasco for the Novara Conservatory focusing on the music of '900.

In recent months I have also had the pleasure of being called to the **jury** in various piano competitions: the Orbetello International Piano Competition, the "Città di Stresa" International Music Competition, the "E. Arisi" Competition in Vescovado and the Piano Competition FaSolSi di Milano. Lots of music!

At this link it is possible to review and listen again to the concert that I held for four hands with the pianist Eliana Grasso on April 24th at the Teatro del Popolo in Gallarate for the "G. Puccini" Conservatory: <https://youtu.be/pbRJ1a6bA48>

Here you can find my performance held in Palermo at the end of February of the piece "Forgotten music" by the talented Italian composer Fabrizio Puglisi: <https://youtu.be/FwUDT3IbomY>

I also remind you that you can find information about all **my CDs** at this link:
