Irene Veneziano - Newsletter n°4 - 2022
Castelletto Ticino (No), September 2022

Dear friends,

I hope that you have spent a pleasant and regenerative summer!

First of all, I would like to inform you that in September a CD that I recorded with the talented Swiss violinist Maristella Patuzzi will be published attached to the cover of the musical magazine Suonare News. This is the recording of some sonatas by Giuseppe Tartini, originally written for violin and continuo. I hope you will like it!

Here is the information for my masterclass at the Scuola Dedalo di Novara, which will take place in 4 one-hour meetings, always on Sundays, from September to December:

<https://www.scuoladimusicadedalo.it/master-class/veneziano> . I'm waiting for you!

I will also hold a two-day masterclass in Milan, at the Cavalieri Institute in Piazza Sant'Agostino, on 8 and 9 October, organized by the Cavalieri della Musica Association. For information and applications (preferably by 18th September) you can write to: presidenza@cavalieridellamusica.it .

I would like to tell you that in June I played a **concert** on a very special piano, the M Liminal model by Fazioli at the Fazioli Showroom in Milan. It is a piano which, while maintaining the very high quality of the Fazioli company's instruments, comes with a unique design, inspired by a bird that is about to take off: truly fascinating!

In July, I performed in Arezzo, for the Terre d'Arezzo Festival, in an evocative cloister: a great thrill to play in the city where Guido Monaco invented the name of musical notes!

I also had the great pleasure of performing again in Moneglia with Daniele Pascoletti, Concertino violin of the Teatro alla Scala of Milan: indescribable emotions, which I hope to be able to experience again very soon.

Then I'll tell you that my **summer masterclasses** were an explosion of music and energy! Starting from the masterclass in Skien, Norway (where a temperate climate made the stay even more pleasant), then continuing with the masterclass in the fascinating Villa Durazzo in Santa Margherita Ligure, and ending with the lessons in Villa Magni in Pistoia, full of laughter and fun.

Finally, I was on the **jury** of the First Piano Competition "Città di Azzano Decimo", organized by Casio, which took place online, and whose final will take place live in the next months.

I also remind you that you can find information about all **my CDs** at this link:
